ABOUT THE EVENT

The Australian Polocrosse Nationals is the pinnacle of the Australian made sport of Polocrosse and is played biennially in rotation to each Australian state.

In 2026, for the first time in over a decade, the Nationals will be making its way back to Darwin, hosted by the NT Polocrosse Association.

The lush green fields and shady sidelines of Freds Pass Reserve in Darwin's rural area awaits to welcome over 4,000 attendees for a week of high energy polocrosse action, entertainment, market and food stalls.

Polocrosse is an exhilarating equestrian sport that masterfully blends the strategic finesse of lacrosse with the dynamic horsemanship of polo.

Originating in Australia during the 1930s, polocrosse has galloped its way into the hearts of over 6,000 players worldwide, captivating audiences with its fast-paced action and compelling teamwork.

At the core of polocrosse is a strong sense of family, love of horses and community with intergenerational legacy; there is no other sport like it.
