President's Message

At its heart, polocrosse has always been about family, the shared road trips, the sideline coaching, and the generations who grow up together making memories on and off the field. As we look ahead to the 2026 Australian Polocrosse Nationals in Darwin, it's a reminder that our sport isn't just competition, it's connection. The Nationals will be the perfect opportunity to create a family holiday filled with world-class polocrosse, tropical adventure, and Territory warmth.
